

SECRETS COATHANGER COVER

1. Embroider design on to fabric for front window of hanger. Cut back to a 6 inch square.
2. Cut out the hanger cover from the pattern pieces on diagram 1, 2 and 3. Cut hanger cover fabric, lining and pellow. Cut an extra 6 inch square of hanger fabric to face the oval window. Pic 1

Pic 1

3. Mark the oval shape on to the wrong side of the front hanger fabric using the oval template. Place 6 inch square of same fabric under oval marking and machine stitch on marking. Cut out $\frac{1}{4}$ inch inside the stitching line. Clip, turn through and press. Securely pin embroidered piece under opening, positioning embroidery in window. Spray pellon with quilt basting spray and place pellon under front, pin and machine $\frac{1}{4}$ inch around window, securing embroidery. Pic 2

Pic 2

4. Spray back pieces with quilt basting spray and place under matching main fabric pieces. Sean each end 1 inch and sew zipper into opening.

5. Place front and back pieces together, right sides facing and machine stitch around edge. Leaving a small opening at the top centre for hanger hook. Turn through to right side and top stitch $\frac{1}{4}$ inch or so in from Scallop bottom.
6. Press machine back zipper opening edges under $\frac{1}{2}$ inch and stitch lining pieces together, leaving the same opening for hanger hook.
7. Place lining inside cover pin at zipper edge and hook opening, hand stitch in place. Pic 3

Pic 3

8. To over a commercial pre padded hanger with the main fabric. Thread clear plastic tubing onto hook, cover with bias of main fabric and secure to padded hanger.
9. Cut 2 pieces of main fabric $4\frac{1}{2}$ inches x 9 inches, sew with $\frac{1}{4}$ inch seam to form a tube. Hand gather one end of each piece from the wrong side, turn through. Thread onto each end of the padded hanger, turn edges under at center and slip stitch together. Pic 4

Pic 4

10. Place cover over padded hanger, tie a ribbon bow as a finishing touch and make small matching bags to hold small treasures.
